Solomon Islands Office of the Auditor-General

INDEPENDENT AUDITOR'S REPORT

To the Provincial Assembly of the Western Provincial Government

Report on the Audit of the Financial Statements

Qualified Opinion

I have audited the accompanying financial statements of the Western Provincial Government ("Provincial Government"), which comprise the statement of cash receipts and payments as at 31 March 2018, the statement of comparison of budget and actual amounts, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In my opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of my report, the accompanying financial statements presents fairly, in all material respects, the statement of cash receipts and payments of the Western Provincial Government for the year ended 31 Mach 2018 in accordance with International Public Sector Accounting Standard (IPSAS) Cash Basis.

Basis for Qualified Opinion

Investment

Non -consolidation of controlled entity (Western Province Investment Corporation)

The Western Province Government investment arm's financial statements have not been consolidated in the provincial financial statements. This is not complying with International Public Sector Accounting Standard (IPSAS) Cash Basis on 'Consolidated financial statements" para 1.6.5 requires that 'a controlling entity, should issue consolidated financial statements which consolidates all controlled entities". As a result, I was unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded receipts, payments, assets and the elements making up the statement of cash receipts and payments.

I have conducted my audit in accordance with International Standards of Supreme Audit Institutes (ISSAIs). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Provincial Government in accordance with the International Standards of Supreme Audit Institutions (ISSAI *Code*) together with the ethical requirements that are relevant to my audit of the financial statements in Solomon Islands and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ISSAI Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with IPSAS, and for such internal control as the management determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Provincial Government's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to cease operations, or have no realistic alternative but to do so.

Those charge with governance are responsible for overseeing the Western Provincial Government financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not guaranteed that an audit conducted in accordance with ISSAI will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or aggregate, they could reasonably be expected to influence the economic decisions of users taken on basis of the financial statements.

As part of an audit in accordance with ISSAI, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policy used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the Province's ability to continue as going concern. If I conclude that material uncertainty
 exist, I am required to draw attention in my auditor's report to the related disclosures in the financial statements
 or, if such disclosures, are inadequate, to modify my opinion. My conclusion is based on the audit evidence
 obtained up to the date of my auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statement represent the underline transactions and events in a manner that achieves fair presentation.

I communicate with management and those charge with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identified during my audit.

I also provide management and those charge with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguard.

Report on Other Legal and Regulatory Requirements

I have obtained all the information and explanation which, to the best of my knowledge and belief, were necessary for the purpose of my audit.

In my opinion:

- i) Proper books of account have been kept by the Provincial Government, sufficient to enable the preparation of statement of cash receipts and payments and
- ii) To the best of my knowledge and according to information and explanations given to me, the statement of cash receipts and payments give the information required by the Western Province Financial Management Ordinance 2008 in the manner so required.
- iii) The Province complied with the requirements of the Public Finance and Audit [Cap 120] and the Provincial Government Act which require the financial statements to be submitted to the office of the Audit General not later than nine (9) months of the following year to which the financial statements relate. The signed statements were presented to me on 28th December 2018.

15

Peter Lokay Auditor – General 26th August 2019 Office of the Auditor General Honiara, Solomon Islands

Notes to Financial Statements

Disclosure Requirements Accounting Policies

Basis of Preparations

The financial statements have been prepared in accordance with the International Public Sector Accounting Standard under The Cash Basis of Accounting (Cash Basis IPSAS)

The accounting policies have been applied consistently through out the period.

Reporting Entity

The financial statements are for the Western Provincial Government, which is one of nine provinces within the Solomon Islands. The financial statements encompass the reporting entity as specified in the relevant legislation (Provincial Government Act 1997) and in accordance with the Provinces Financial Management Ordinance 2008 and the Provincial Financial and Stores

The Principal objectives of the Provincial Government is to provide quality government services to the community of Western Province. The province also has a commercial development arm which owns and administers the Noro Housing Estates.

Controlling Entity

For accounting purposes the Provincial Government is directed by the Solomon Islands Government regarding which financial reporting framework to adopt.

External assistance

The province receive a benefit from payment made by external third parties (entities external to the Province) for goods and services. These payments do not constitute cash receipts of payments for the Province, but do benefit the Province. They are disclosed in the *Payment by Third Parties* column in the financial statements.

Restricted cash balances

Restricted cash balances are monies collected on behlaf of another entity. This money is then forwarded to the entity on an agreed schedule. This money is not available for use by the Provincial Government. Normally restricted balances include Pay As You Earn (PAYE), National Provident Fund and any other dues collected by the Province and is payable to a third party.

Unremitted balance at year end is recorded as restricted cash. Additional information is disclosed in *Note 2* (Cash and cash equivalents), *Note 7* (Other receipts) and *Note 13* (Other payments)

Reporting Currency

The financial statements are presented in the Solomon Islands currency, the Solomon Islands dollar (\$).

Foreign currency transactions

Transactions in foreign currencies are recorded at the exchange rate at the date of the transaction. Non monetary assets and liabilities denominated in foreign currency are recorded at the exchange rate at the date of the transaction.

Classification

Prior year balances has been reclassified to correspond to current year presentation where considered necessary.

Cash

Note 14 Investment Servicing Cost for Canay		
Note 14. Investment Servicing Cost for Capex	(1,317,226)	(898,447)
General Investment Servicing Cost	(1,317,220)	(050,447)
Others	(1,317,226)	(898,447)

Note 17. Original and final approved budget and comparison of actual and budget amounts The approved budget is developed on a similar but slight different basis {cash basis}, same classification basis, and for the same period (from 1 April 2017 to 31 March 2018) as for the financial statements.

The original budget was approved by legislative action on 27th March 2017 with supplementary amendment on 26th March 2018

The deficit of actual receipts to final budget occurred due mainly to anticipated revenue from Property in the Lands Division not fully realized, though supplemented in 2017/18 Budget

The deficit of actual payments to approved budget is contributed to: Non implementation of PCDF Projects hence brought forward to 2018/19 FY

Note 15. Authorisation date

The financial statements were authorised for publication on 24th December 2018 by Hon. David Gina, Premier and Jeffrey Wickham, Provincial Secretary.

Hon David Gins

Premier

Jeffrey Wickham Provincial Secretary

Encouraged additional optional disclosures
